

Declaration of Liability Waiver

I hereby expressly declare and acknowledge through my signature below that I enter, remain on, and use the facilities and karts of the indoor and outdoor kart track, solely and entirely at my own risk and responsibility. I am aware of the risks and dangers, particularly the typical risks associated with motorsports, and I accept these at my own risk.

I participate in kart driving at my own responsibility. Accordingly, Eko Kartbahn VIE GmbH assumes no liability for damages arising from the operation of the rented kart and/or damages caused by the operation of other vehicles, their drivers, and/or my own conduct. Participation in all activities is entirely at my own risk. Liability of Eko Kartbahn VIE GmbH for any occurrence of damage is excluded. I bear civil and criminal responsibility for personal injury, property damage, and financial loss caused intentionally or through gross negligence on my part. Should Eko Kartbahn VIE GmbH be held liable by other participants for damages caused by me, I agree to indemnify and hold the operator harmless against such claims.

I confirm that I do not suffer from any physical impairments (particularly heart or circulatory problems) and that I am not under the influence of alcohol, drugs, or medication that could impair my ability to drive. I undertake to strictly follow all instructions given by track personnel without exception. I accept full liability for any intentional damage caused to the kart used by me. I will only use an assigned kart after having received and understood instructions regarding track regulations and the operation of the karts. I have read, understood, and will comply with all posted safety regulations.

I agree that my personal data may be stored by Eko Kartbahn VIE GmbH for the purpose of fulfilling contractual obligations (Art. 6 para. 1 lit. b GDPR) and will not be shared with third parties. Upon request by the user, stored data will be deleted immediately unless there is a legitimate interest in further processing.
